### WR Kelvin Harmon

#### **On his role:**

"Mainly, [Wide Receivers] coach Ike [Hilliard] told me to be at Z right now, come to learn at Z and just a little bit inside at slot, but mostly outside just trying to get the playbook down pat and just get used to the transition."

#### **On playing with confidence:**

"Yeah, I definitely agree with it, it comes from my competitive nature, always trying to bully the guy in front of me if I got to block him or win a route or sell a route being a decoy for my teammates. I'm just always trying to win every one-on-one battle."

#### **On practicing with QB Dwayne Haskins:**

"It's been pretty good you know we connected on a couple good throws and today we had not a good couple one-on-ones but you know we're going to go back into the film room and look at it, talk about it and come back and be better next time."

#### **On developing chemistry with Haskins:**

"I think it's just developing a relationship on and off the field, you know me and him, we know each other for a couple years now so we have a relationship. You know just helping each other with learning the playbook."

#### **On how his skillset fits the Redskins:**

"I was just talking to coach Ike and he just wants me at Z being that big body guy going in and being physical, going over the top get some passes in the middle in the medium circle just making those 50-50 catches and contested catches."

#### **On WR Terry McLaurin:**

"Me and him been talking a lot, obviously he's a fast guy, he's like 4.3, I saw him take the top off yesterday on one-on-ones with a post, that was very impressive."

#### **On his speed:**

"I guess it just depends on who you ask. I just know the coaches know what I'm capable of doing, so I'm just going to go out there and prove it each and every week."
