## **CB Jimmy Moreland**

## On what the Washington Redskins knew about him prior to the draft:

"You know [I went to school] two hours from here. When I got here, most people already knew who I was. A couple of people knew where I was from – Belle Glade, Florida – like this man right here; he's from Palm Beach County. There are a lot of people around here that know where I'm from and got to see me in college as well."

## On what he has learned during rookie camp:

"You have to be always on beat, always on point. They are not waiting on you. The playbook is right there. They expect you to know the playbook before you get into the meeting. So, you always got to be head up on the game and keep your best foot forward."

## On how much LB Andrew Ankrah has helped him:

"He's helped me a lot. He's helping me get around now because I don't have a car and plays and things like that. He's help me off the field as well."
