**Bold** indicates change in status

Did Not Participate (DNP): Did not participate in practice

Limited Participation (LP): Less than 100% of a player's normal reps

Full Participation (FP): 100% of a player's normal reps

Out: Will not play

NIR: Not Injury Related

Doubtful: Unlikely to play

Questionable: Uncertain if player will play

**\*\* REMINDER:** The prior Practice Report designation "Out" has been eliminated to avoid confusion between information provided in the club's Practice Report and Game Status Report. In addition, the prior Game Status category "Probable (virtual certainty player will be available for normal duty)" has been eliminated. If a player is certain to play – even if he has been listed on the Practice Report during the week – he will not appear on the Game Status Report.
